# 50,000 copies of *Hope for Troubled Times* have been printed.

On May 15, for the first time in recent history, every conference within Australian and New Zealand will unite in this exciting global mission to share *Hope For Troubled Times*, written by Mark Finley. The book was written with the COVID-19 pandemic and its aftermath in mind, concentrating on providing spiritual answers to people's questions about the future.

Join the movement to share the hope of  
Jesus' soon return with the community.
